Sleeping 12 guests, you'll relax in one of five spacious staterooms configured for comfort and flexibility and generously decked out with quality linens.

## **MASTER STATEROOM**

King bed with ensuite (separate shower, toilet and his and hers basins) as well as an abundance of wardrobe space.

---

**2 x QUEEN SIZE CABINS** with ensuites and walk in robes.

---

**2 x TWIN ENSUITE CABINS** with Pullman bunks (sleeps three per room) convertible to a double bed in each cabin.

---

## RELAXED, MODERN AMBIENCE

Relaxed ambience is the word throughout the spacious interior and into the five staterooms, with the mood set via a spacious main salon with light spilling into the room via panoramic windows. Twin sea balconies to port and starboard extend from the main salon, offering a coveted spot to enjoy a morning coffee or afternoon aperitivo, for guests onboard.

## PUMP UP THE ADRENALIN

The fun kicks up a gear when the water toys appear. Jet skis, Sea Bobs, a Fliteboard, stand up paddleboards, an air deck, wakeboard, water skis, fishing equipment, and golf clubs with biodegradable balls are just some of the options to pump up the adrenalin onboard *Three Rivers*.

## A GASTRONOMIC DELIGHT

If all that activity works up an appetite your private chef is on-hand to create a five star dining experience tailored to you; think Australian Wagyu, fresh local seafood or sashimi made from your own line-caught fish.

# CAPTAIN COLIN O'KANE

Born on the Gold Coast before heading to the Whitsundays in 2001, captain Colin has had an extensive career working onboard superyachts. He began his yachting career in Fort Lauderdale in the early 2000s, learning his trade in the superyacht industry's famous cruising grounds. He returned to the Whitsundays as the captain of many luxury charter boats over a 15 year period, including Ocean Dynamics, Alani and Soul Seeker.

His work over the last four years as captain on a 28m private motor yacht extensively cruising East Coast Australia has given him a deep knowledge of Australia's cruising, enabling him to show guests hidden beaches, teeming dive spots and stand-out sights.

Colin has also worked on expedition superyachts travelling the east coast USA, Caribbean, Bahamas, New Zealand, French Polynesia, transpacific, Costa Rica, Panama Canal, San Blas islands, Belize, Honduras, Mexico, Cuba, and the Cayman Islands. He brings his love of adventure and the ocean to the guests onboard *Three Rivers*.

## FIRST MATE | SAM RYAN

Sam grew up in the busy shipping town of Newcastle, beginning his maritime career working on fishing charter and harbour cruise vessels, before moving to the yachting world in 2013. Getting his start on a 30m Benetti, he quickly found himself moving up the ranks into the captain's position cruising east coast Australia, the Mediterranean, Caribbean and Bahamas.

His attention to detail means he's always striving to give his best and provide the most enjoyable experience for guests onboard. Sam is an integral part of the team and thrives in a leadership role where he ensures all of the individual work comes together seamlessly, to create the best possible time onboard. Sam has a calm nature allowing him to work well with others but takes his work seriously and strives for excellence.

In his free time, Sam enjoys exploring the outdoors from the coast to country, with a love for camping and 4WDing with his partner and family.

## STEWARDESS | ANNALISE PENNY

Annalise grew up in the beautiful coastal town of Noosa, where she first discovered her love for the ocean. After graduating school, she went looking for excitement in Sydney and at age 17, began work in some of Sydney's best restaurants, finding a love for hospitality. The yachting industry soon called, and the combination of the ocean, with Annalise's passion for travel and high-end service, proved the perfect career for her. She has spent the past five years working onboard yachts around the world, cruising Europe, the Caribbean and Asia and crafting impeccable guest experiences.

She is now excited to be home in Australia, exploring by yacht the amazing places Australia has to offer. Her other passions include a love for good food and wine, diving and dancing. Annalise is dedicated to creating unforgettable memories and an exceptional standard of hospitality for the guests onboard, so do not hesitate to ask.

## CHEF MATTY DIXON

Chef Matty Dixon has been working as a chef for 15 years, spending the last four years cheffing onboard large, luxury yachts.

Food and its potential for creativity inspires him and Matty enjoys the scope to create with different flavours, ingredients and techniques, crafting a dish which he compares to creating a new piece of art. Seafood is a particular favourite medium, with Matty enjoying the potential that comes with quality and flavour of Australia's seafood in this country, making dishes which complement the seafood rather than change the flavours. Working on superyachts provides fresh caught seafood almost every charter which is an amazing bonus. Matt has travelled around the world cooking and learning new and old techniques, which has helped to craft his style as an award-winning chef who continues to love what he does in the kitchen.

“Good food is the foundation  
of genuine happiness”
